

- Main features:
  - I added 5 new unit tests, that all ran with no errors through karma/jasmine, and edited app.component.spec.ts to make them work properly
    - TopNavBar.component.spec.ts
    - TopCard.component.spec.ts
    - Footer.component.spec.ts
    - lowerCard.component.spec.ts
    - defaultLayout.component.spec.ts
- Bonus:
  - This whole assignment is the bonus
